**APPLICATION FOR THE CTL FELLOWS PROGRAM**

As described in the announcement of the CTL Fellows Program, this initiative is designed to assist faculty in developing the technological aspects of their courses. The focus is on taking faculty to the next step, no matter where their starting point. In order to assist the selection committee in making a decision on who might most benefit from the program, we would appreciate it if you would fill in all of the information below, limiting your description to no more than 300 words. Return your application to Dr. Maura C. Flannery (Bent Hall room 281) on or before **Friday, April 25, 2008**.
