

WHAT IS YOUR VISION FOR A MORE SUSTAINABLE FUTURE?

# JOHNNY'S INNOVATION CHALLENGE

Innovate to Elevate

A dynamic event where creative minds collaborate to brainstorm, innovate, and develop groundbreaking sustainability solutions in an ideation competition and innovation challenge.

## JOIN JOHNNY'S INNOVATION CHALLENGE TO:

- Showcase Your Idea and Skills
- Make an Impact with Sustainable Solutions
- Skill Workshops: Data-Driven Story Telling: From Insights to Impact, Design Thinking, and Business Model Canvas
- Network with our Sponsors

Finalists can unlock exclusive internships, secure a spot in the Venture & Innovation Center's Incubation Program, and win a scholarship to attend a summer accelerator with European Innovation Academy! The first-place team secures a spot in the Hult Prize National Competition in Boston, MA for a chance to advance to the finals in London, England for \$1,000,000!
